

Name: _____ Date: _____

Challenge 1

Create a moving picture of a car using a lever. The car must be 10cm long and 6cm high.

**Challenge 2**

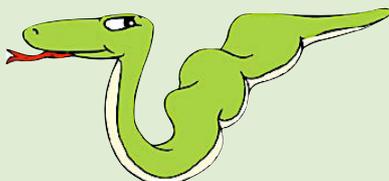

Make a rotating picture to show the sun rising and setting. You must use two different materials.

How many of these challenges can you complete?

Challenge 3

How could you use a paper concertina to create a snake that leaps off the page? The snake's head must be 5cm by 4cm.

**Challenge 4**

Create a flap which opens to show the contents of a treasure chest. Make a handle which lifts the flap.
