Dear Parent

Following on from my letter May 6th, please find attached further information for parents about the new class structures in school September 2016.

We have now designated staff to year groups for September 2016 and this information is overleaf. In addition, to support your understanding of the changes I have attached a set of questions and answers which may well address some of your questions on the changes. I hope you find these useful.

Yours sincerely

Mr S Hanley
