

Plantation Primary School Year 1 Autumn Curriculum Map

English

For reading we are covering the Read, Write Inc programme to help develop our phonics. As Readers, we will work our way through the programme, learning set 1, set 2 and then set 3 sounds. We will read a range of books with words containing our taught sounds in our daily phonics lessons.

As Spellers, we will recall learnt sounds and segment to spell words. We will follow the Speed Sounds word programme and Word Time as appropriate to the various levels.

As writers, following The Pathways to Write scheme, we will be learning to use sounds to spell words. We will develop our sentences to include capital letters, full stops, and gaps.

Maths

In Maths, we will cover:

Counting - counting up and across 100 forward and backwards.

Place value (within 10 & 20) – identify and represent numbers using pictorial representations.

Addition and subtraction (within 10) – add and subtract one-digit and two-digit numbers to 10.

Shape – recognise and name common 2D and 3D shapes.

Measurement – capacity.

Science

As Scientists, we will be learning about 'Our Changing World' including plants, animal antics, sensing seasons and using our senses.

We will learn about everyday materials and using our senses. We will link all modules to 'Our Changing World' topics.

As Historians, we will learn about toys from the 1960's. We will explore how some toys have stayed much the same and how some toys have changed over time.

History

As Geographers, we will learn what geography is like where we live. We will learn what geography is all about, where we live in the UK and what human and physical features are.

Geography

As Sportspeople, we will be developing our running, jumping, and throwing skills. We will develop our hand-eye coordination in our 'attack, defend, shoot' topic and our two dance modules.

PE

As Coders we will be using the 'Paint' app to create media by digital painting.

Computing

As Theologises we will learn about why we give gifts at Christmas. We will also explore how presents link to the nativity story and why giving presents is significant.

RE

On our PSHE journey we will be exploring how families are different to each other and how they look after us. We will discuss how friendship problems can be overcome and recognise how other people show their feelings.

PSHE

As Musicians we will learn to sing 'All about me' and find the pulse and rhythm. We will learn about timbre and rhythmic patterns whilst exploring the music 'Fairy Tales.'

Music

As Linguists we will be developing basic listening, speaking, and reading skills in French following repetition, recognition and recall. We will be learning basic French greetings.

French

As Designers we will learn about the components in playgrounds. We will explore different ways of joining and strengthening materials and make our own playground.

DT

As Artists, we will explore light and dark in our topic 'sparks and flames'. We will use a range of materials and techniques to create a 3D picture.
